Samantha Wong

Support Husky Crew

There are a variety of ways you can help the University of Washington men's and women's rowing teams meet their competitive and academic goals. The Washington Rowing Stewards Endowment is a fund set up by the Stewards to support the men's and women's programs for equipment costs, financial aid to students and travel to special regattas and competitions. Every gift to this endowment, regardless of the amount, will benefit Husky rowing. Your tax-deductible contribution can be made to the "Washington Rowing Stewards Endowment."
