It took some time for rowing to become established at the University of Washington. The students organized the UW Amateur Rowing Association in January 1901. During the spring 1901, the students rowed in the first Inter-Class Race. The class of 1904 defeated the class of 1903. The form and name of this regatta has changed over the years. The women competed in "Junior Day" as early as 1907.

Today the Inter-Class Regatta is known as Class Day. This race kicks off the racing spring season each year and affords the winners shellhouse bragging rights. The men compete for the George M. Varnell Trophy, first presented in 1930. In the modern era the Women race for the Seattle Times Trophy, first presented in 1982.

2012-2013 WASHINGTON ALL-SPORTS GUIDE

Washington hosts an elite international field of competitors each year for the Windermere Cup/Opening Day races on Montlake Cut. The annual event is without a doubt one of the premier regattas in the sport of rowing. Competing crews enjoy spectacular racing and festivities that culminate in one of the most-watched events in the sport.

The feature races' sponsorship by Windermere Real Estate, Inc., which began in 1987, draws major national and international crews each year to the Windermere Cup Races. The Opening Day Regatta has been a traditional part of the opening of yachting season since 1970, and women's intercollegiate races were added to the schedule in 1976. The regatta is the preliminary event to the annual yacht club parade, signaling the beginning of boating season in the Northwest.

Tie-up moorage is available on both sides of Montlake Cut, extending out from the Cut toward the start line of the race in Lake Washington, providing an ideal setting for spectators to view both the regatta and the parade of yachts that follows. Thousands of watersport enthusiasts have lined the Cut in recent years to witness first-hand one of the most exciting sporting events in the region — the Windermere Cup Races and Opening Day activities.

Washington women's crew became a varsity sport in 1975. Complete results for all years are not available. In addition to the titles listed, Washington won lightweight eight championships in 1976, 1977, 1978 and 1980.

The Intercollegiate Rowing Association Regatta (IRA) is the oldest collegiate rowing championship in the country, and remains the premier event for national rowing honors for college men. The first IRA Regatta, on June 24, 1895, was a four-miler between Columbia, the winner, Cornell and Pennsylvania.

The regatta has grown from that single race in 1895 to include championship competition in eight, four and pair-oared competition at the varsity, second varsity and freshmen levels for both men and women.

The rowing championship is conducted by the Intercollegiate Rowing Association that was organized at the beginning of the century. It consists of five eastern, traditional rowing schools, the original three schools, Columbia, Cornell and Pennsylvania, plus Navy and Syracuse. To this day, the Association is comprised of only these five schools and all other colleges participate as invited guests.

Much of the history of the IRA tends to focus on the great crews of Cornell, Navy, Washington and California and their coaches who established impressive winning records at the old regattas at Poughkeepsie and Lake Onondaga.

In 1923, Washington, coached by "Rusty" Callow, became the first Western school to win the IRA, followed by another victory in 1926. When Callow left Seattle to coach at Pennsylvania, he was succeeded by his assistant Al Ulbrickson who continued the Husky winning ways with six IRA titles in 1936, 1937, 1940, 1941 and 1948 and 1950. His freshman, jayvee and varsity crews "swept the river" in 1936, 1937, 1948 and 1950.

After competing in the national championships held annually on Lake Harsha in Cincinnati between 1983 and 1994, the UW returned to the IRA for its 100th anniversary in 1995. In 1997, the Huskies swept top honors in the three featured races for the first time since 1950. In 2007, the Huskies took gold in both the Varsity and Junior Varsity races. They also began their run of 6 straight Team Eyk Award wins, given to the team scoring the most overall points at the regatta. After the 2007 season, Ernst stepped down to coach the women and his former rower and protege, Michael Callhan replaced. Since Callahan took over the men's varsity have won three national championships in the last five years, while finishing second twice. In 2012, the Huskies swept all races at the IRA Regatta, the first team every to accomplish that feat.

Intercollegiate Rowing Association Championships

Prior to 1982 and since 1995, the Intercollegiate Rowing Association winner has been recognized as the national champion. Below are UW's finishes in the IRA Championships. The Huskies won 15 IRA varsity eight national titles.

noted as
Unofficial National Champions

The first women's collegiate championship was held in Oak Ridge, Tenn. in 1980. Washington is one of only three teams to be invited to all 11 NCAA Championships. The Huskies won their first varsity eight title in 1981, the first of an unprecedented five-straight varsity championships. Washington won back-to-back NCAA team titles in 1997 and 1998, including the program's first 1997. UW captured the 1980 lightweight eight and lightweight four titles. The race length for women was doubled in 1985 from 1,000 to 2,000 meters.

Washington rowers have been a fixture in Olympic competition, dating back to the 1936 men's eight-oared boat that won the gold medal in Berlin. Altogether, Husky men and women have participated in 13 Olympic Games.

Anna (Mickelson) Cummins, Mary Whipple and David Calder became the newest Husky Olympic medalists in 2008 at the Beijing Olympic Games. Cummins and Whipple paired for possibly the last time to win the gold in the women's eight. Calder and his partner won silver in the men's coxless pair, earning Canada's first trip to the medal stand in the 2008 edition of the Games. Also representing the Huskies in Beijing were Scott Gault, Rika Geyser, Rob Gibson, Ante Kusurin, Megan Kalmoe and Giuseppe Lanzone.

Washington was represented in the 2004 Athens Olympic Games by David Calder, Michael Callahan, Matt Deakin, Anna Mickelson, Erik Miller and Mary Whipple. Deakin came home with a gold medal with the U.S. men's eight while Mickelson and Whipple collected silvers with the U.S. women's eight. Callahan and Miller were spares.

At the 2000 Sydney Olympics, Huskies Marc Schneider, David Calder, Phil Henry and Katie Maloney competed. Schneider's four without finished sixth in its final while Calder's Canadian eight won the B final. Henry traveled as a spare. Maloney was a part of the women's eight that finished sixth in its grand final. In addition, Husky women's coach Bob Ernst was the course announcer at the rowing venue.
