# PACIFIC-10 CONFERENCE AWARDS

The Pac-10 Conference began recognizing All-Conference teams beginning in 1999, based on the results from the Pac-10 Championship meet. The top six finishers were named to the first team, and the next six to the second team. In 2003, the teams were expanded to seven members each. Nine Huskies have earned first team All-Pac-10 honors, including current seniors Jeremy Mineau and Anita Campbell. In addition, since 1990 the Pac-10 has recognized student-athletes for their academic prowess. Athletes with grade point averages above a 3.0 are eligible as long as they are significant contributors. Husky head coach Greg Metcalf was a first team All-Academic honoree in 1991, while assistant coach Kelly Strong was a two-time second team member at Arizona State. Travis Boyd (2003-06), Tara Carlson (1992-95), and Stacie Hoytink (1989-92) all were three-time All-Academic first team members.
