

TYEE PRIORITY POINT SYSTEM

Tyee Basketball membership gives donors access to priority seating areas; season tickets must be purchased separately.

Tyee Basketball seats areas in Bank of America Arena are completely reallocated, based on priority, every three years.

Points determine seating priority for home season men's basketball tickets and for post-season games.

Points are assigned in the following manner:

1 point for every \$100 of historical contribution to the athletic department;

1 point for every \$100 of campus-wide cash contributions to the university for members of The President's Club, total entered once a year in March for previous calendar year's gifts;

(matching gifts are considered pledges and are not credited until received by the university)

2 points for each year of Tyee membership;

5 points for each consecutive year of men's basketball season ticket purchase.

Point totals are calculated in the following manner:

Total gift-related points are divided by the number of men's basketball seats in the donor account; then years of Tyee membership and consecutive season ticket purchase are added to create a point total.

Tyee accounts are ranked according to priority point totals and seats are assigned in order.

PLEASE NOTE

Refunds: All contributions to the Tyee Basketball program are considered gifts to the University of Washington and are credited at full value for purposes of the donor's gift record at the university. *These gifts are not refundable.*

Additional Seats: Please do not send Tyee Basketball gifts in anticipation of obtaining additional seats. Instead, request in writing (but do not contribute for) additional seats on this renewal form.

Tax Information: Annual, per seat contributions which are necessary to participate in the Tyee Basketball program and which entitle donors to priority seating in Bank of America Arena are 80 percent deductible as charitable contributions for income tax purposes, according to section 170(m) of the Internal Revenue Code.

Gifts *over* and *above* the annual per-seat contribution, in support of the athletic department or other programs at the University of Washington, are fully deductible as permitted by law.

The IRS has ruled that the deductible portion of your gift cannot include the value of benefits you receive. We have determined the value of these benefits to be \$12.00 (1998).

An application to purchase a parking pass will be sent after Tyee Basketball applications are received.

Amounts paid to purchase tickets are not tax deductible as they are not gifts to the University of Washington.

DEADLINE

For calculation of men's basketball seating priority, all gifts relating to Tyee Basketball seating, including matching gifts, must be received on or before the deadline each year.

HUSKY SCHOLARSHIP FUND and ENDOWMENT GIFTS

Gifts to support athletic scholarships and endowments help insure that the best student athletes can attend the University of Washington.

Purple & Gold Scholarship	\$2,500.00/year
Coach's Scholarship	\$5,000/year
Directors Scholarship	\$10,000/year
UW Endowment Minimum	\$50,000 gift/pledge
Endowment Athletic Scholarship	\$250,000 gift/pledge (up to 5 years)

For more information on the Husky Scholarship Fund and endowment gifts, please contact the Tyee Office.
(206) 543-2234 email: huskies@u.washington.edu

Disability: In compliance with the federal "Americans with Disabilities Act", seating accommodations are made for qualified persons with disabilities. For further information please contact the Husky Ticket Office prior to renewing your tickets.
