Media Information and Policies

Fall Practice

Fall practice begins Tuesday, Aug. 9. Washington holds its practices at Husky Stadium. The team's annual Picture Day will take place on Saturday, Aug. 13 at Husky Stadium. Practices will tentatively be held twice a day for the first two weeks. The Huskies will hold practices Sunday and Tuesday through Friday during the regular season. The first 25 minutes of practice are open to the media. All Friday road practices are closed. Out-of-town media should contact media relations director Jim Daves about access.

Interview Policy

Contact the Athletic Communications Office for **ALL** interview requests. It is very helpful to have 24 hours notice so that the athletic communications staff will have ample time to make arrangements with players and coaches. Student-athletes are typically available before practice from 1:30-2:30 Monday through Wednesday on a first-come, first-served basis. Student-athletes will be available on a limited, by-appointment basis on Thursdays. Athletes are not available for interviews on Friday or on Saturday prior to a game. Head coach Tyrone Willingham will conduct interviews with print and electronic media before practice. All interviews are conducted in the media workroom at Bank of America Arena. No interviews will be conducted after practice.

Press Credentials

All credentials should be requested from Athletic Communications Director Jim Daves in writing. Requests should be made at least one week prior to the game. Credentials will be mailed if time permits. Credentials are generally mailed to the opponent SID the week before the game to distribute to visiting media covering the game. Credentials not mailed will be available on gameday from 9 a.m. until noon (for a 12:30 game) in the lobby of the Graves Building. After noon they will be left at Will Call at the west side of the stadium. Visiting media should make requests through the visiting Sports Information Director.

Parking

Limited press parking is located in areas designated N-24, E-11, S-1 and C-21. The E-11 lot is located on the northwest perimeter of the stadium. The C-21 lot is an underground garage located due west from Husky Stadium, directly across Montlake Boulevard. Parking passes should be requested through the Media Relations Office. Visiting media should make parking requests through the visiting Sports Information Director.

Photographers

Photo passes are available for accredited news media. They should be ordered in the same manner as press credentials. Visiting media should make requests through the visiting Sports Information Director. Photographers may work from the sidelines in accordance with NCAA rules. In no case may a photographer shoot from in front of either team's bench. No tripods are allowed on the field. Passes should be worn in plain sight. Armbands must be picked up prior to kickoff by showing a photo credential at the table located in the west end zone. Failure to adhere to these regulations, or any interference with play, is reason for expulsion. A work area will be available at Husky Stadium for digital photographers. A box lunch will be served to

photographers during halftime at the credential table in the west end zone. **Freelance photographers** will be subject to University licensing regulations for any images portraying Washington student-athletes and registered trademarks.

Press Box Elevator

The press box elevator is located on the lower level of the south side of Husky Stadium. The elevator is used by members of both teams' coaching staffs, media representatives and a limited amount of fans who require an elevator pass. Only accredited media will be allowed access to the elevator and press box. Please arrive at least 90 minutes before kickoff to assure your arrival at the press area well before game time. Media members **do not** have priority elevator use, so be sure to arrive early.

Services

Quarterly play-by-play accounts, computerized halftime and final statistics, scoring summaries and coaches' quotes will be distributed in the press box, in the postgame interview area and in the Don James Center media workroom following the end of the game. Play-by-play information, statistics, injury updates, etc., will be reported over the internal press box public address system. A food service will be provided prior to kickoff and at halftime.

Telephones

The athletic communications Department has two telephone lines installed in the press box (543-2230 and 543-2231). These lines are intended for athletic communications use only. If media members require telephones, please call the University of Washington Telecommunications Department at (206) 543-0133. The Telecommunications Department will arrange to install phone lines at your expense.

Husky Stadium

Husky Stadium is located five miles north of downtown Seattle and approximately 30 minutes north of Sea-Tac Airport. To get to the stadium from downtown Seattle, take I-5 North and take the 520 East (Bellevue/Kirkland) Exit. Take the Montlake Exit and turn left at the stoplight. Husky Stadium is located off Montlake Boulevard, on the right side of the street. Traffic conditions can become congested prior to gametime and media are advised to arrive at Husky Stadium early.

Professional Football Scout Tickets

Professional football scouts should contact the Husky ✓ office (543-2230) to purchase tickets for scouting purposes. Press passes will be issued if space is available in the press box.

Postgame Interviews

The elevator will leave the press box level at both the eight and four-minute marks in the fourth quarter for all members of the media wishing to go to the interview area. The elevator will leave again immediately following the end of the game. Athletic communications personnel will escort the media to the interview room (assembly room, stadium tunnel) and will bring athletes to the interview room by request. The visiting Sports Information Director determines postgame interview procedure for the visiting locker room. The Media Workroom in Bank of America Arena at Hec Edmundson Pavilion will be used for visiting team interviews.

Postgame Media Work Area

Media members may work in the press box following games, but are encouraged to use the Don James Center (2nd level, north stands) for filing purposes. The Don James Center is enclosed with plenty of work space, phones to use for filing, restroom facilities and soft drinks. Final statistics and coach and player quotes will be available in the work area.

Mondays with the Head Coach

Head Coach Tyrone Willingham holds a press conference each Monday at noon during the season in the Don James Center. Every attempt will be made to have the opposing coach available via teleconference hookup prior to the UW head coaches' comments. All members of the media are invited to attend these weekly conferences. The press conference can also be accessed by teleconference. Call the athletic communications office to acquire the phone number for the teleconference.

Clippings

Links to newspaper articles from media covering the

NCAA Guidelines and the Media

Media members should be aware of several NCAA rules that apply to student-athletes. If there is ever a question if any media-related activity or event including a Washington student-athlete could be a possible NCAA violation, contact sports information director Jim Daves for an interpretation. Areas of concern include:

- Coaches and University officials cannot make comments on prospective student-athletes until they sign a national letter of intent. A coach cannot comment on a prospective student-athlete who verbally commits to an institution.
- Coaches and athletic staff are not permitted to write guest columns for publications.
- Do not ask student-athletes to list or endorse products.
- Photographers cannot provide student-athletes with photographs or slides. The media relations office offers a similar service for student-athletes to purchase photographs.
- Student-athletes may not be used in advertisements or endorsements of products, including media-related publications.
- Student-athletes are not permitted to conduct interviews for 1-900 services.
- Establishing an Internet site in and of itself does not categorize an individual as a media entity. Therefore, individuals who establish Internet sites independent of the institution continue to be subject to all applicable restrictions related to contacting prospects for a recruiting purpose.

Huskies on the Airwaves

Husky Radio Network

The 2005 season marks the fifth year of the Husky Sports Network. Action Sports Media along with its partner, The Sporting News Radio Network, acquired the radio broadcast rights to Husky athletics in 2001. The five-year agreement provides the Huskies with wider coverage across the west coast. Washington becomes the first college athletic program to assign its radio rights to ASM.

Seattle all-sports radio station KJR 950-AM serves as the flagship station for the Husky Radio Network. Gameday coverage for UW football features 11 hours of pre- and post-game coverage. Also, a weekly show featuring Washington's head coach will air on Mondays at 5 p.m. on network stations.

Highly-regarded play-by-play broadcaster Bob Rondeau heads up the group of announcers who will call the action on the Husky Radio Network. Rondeau is joined by former Husky All-American place kicker Chuck Nelson, who provides analysis and color commentary. Elise Woodward provide sideline reports. A variety of KJR-AM personalities will handle portions of the pre- and post-game coverage for the network.
