The 2007 University of Washington Football Media Guide was published by the Athletic Communications Office (Richard Kilwien, director). The guide was designed by Jonathan Soriano and edited by Jeff Bechthold, Brian Beaky, Benton Strong, Holly Laubacher, Nicole Morry, and Cheryl Taplin. Cover and interior design by Jonathan Soriano. Campus photos are courtesy of UW Photographic Services. Action photography by Joanie Komura, Corky Trewin, Brian Spurlock, Joe Robbins, Bruce Terami, Max Waugh, Adam Hardtke and Brian Beaky. The Athletic Communications Office extends its thanks to all members of past athletic communications staffs that have assisted in compiling information that is an integral part of this guide. Any corrections or additions to the media guide are welcome and should be directed in writing to Jeff Bechthold (see page 2 for the Athletic Communications Department address.)

Media Guide Restrictions

Prior to the 2005 football season, NCAA legislation limited the size of media guides to 208 pages. Nearly 200 pages were removed from the UW guide to comply with those new regulations.

Media Information and Policies

Football Practice

Fall practice begins Sunday, August 5. Washington holds its practices at Husky Stadium. The team's annual Picture Day will take place on Saturday, Aug. 11 at Husky Stadium. Practices will tentatively be held twice a day for the first two weeks. The Huskies will hold practices Tuesday through Friday during the regular season. The first 25 minutes of practice are open to the media. All Friday road practices are closed. Out-of-town media should contact the athletic communications office about access.

Interview Policy

Contact the Athletic Communications Office for **ALL** interview requests. It is very helpful to have 24 hours notice so that the athletic communications staff will have ample time to make arrangements with players and coaches. Student-athletes are typically available before practice from 1:30-2:30 p.m. Monday through Wednesday on a first-come, first-served basis. Athletes are not available for interviews Thursday, Friday or on Saturday prior to a game. Head Coach Tyrone Willingham will conduct interviews with print and electronic media before practice. All interviews are conducted in the media workroom at Bank of America Arena. No interviews will be conducted after practice.

Press Credentials

All credentials should be requested from the athletic communications office in writing. Requests should be made at least one week prior to the game. Credentials will be mailed if time permits. Credentials are generally mailed to the opponent SID the week before the game to distribute to visiting media covering the game. Credentials not mailed will be available on gameday from 9 a.m. until noon (for a 12:30 game) in the lobby of the Graves Building. After noon they will be left at Will Call at the west side of the stadium. Visiting media should make requests through the visiting Sports Information Director.

Parking

Limited press parking is located in areas designated N-24, E-11, S-1 and C-21. The E-11 lot is located on the northwest perimeter of the stadium. The C-21 lot is an underground garage located due west from Husky Stadium, directly across Montlake Boulevard. Parking passes should be requested through the Athletic Communications Office. Visiting media should make parking requests through the visiting Sports Information Director.

Photographers

Photo passes are available for accredited news media. They should be ordered in the same manner as press credentials. Visiting media should make requests through the visiting Sports Information Director. Photographers may work from the sidelines in accordance with NCAA rules. In no case may a photographer shoot from in front of either team's bench. No tripods are allowed on the field. Passes should be worn in plain sight. Armbands must be picked up prior to kickoff by showing a photo credential at the table located in the west end zone. Failure to adhere to these regulations, or any interference with play, is reason for expulsion. A work area will be available at Husky Stadium for digital photographers.

A box lunch will be served to photographers during halftime at the credential table in the west end zone. **Freelance photographers** will be subject to University licensing regulations for any images portraying Washington student-athletes and registered trademarks.

Press Box Elevator

The press box elevator is located on the lower level of the south side of Husky Stadium. The elevator is used by members of both teams' coaching staffs, media representatives and a limited amount of fans who require an elevator pass. Only accredited media will be allowed access to the elevator and press box. Please arrive at least 90 minutes before kickoff to assure your arrival at the press area well before game time. Media members **do not** have priority elevator use, so be sure to arrive early.

Services

Quarterly play-by-play accounts, computerized halftime and final statistics, scoring summaries and coaches' quotes will be distributed in the press box, in the postgame interview area and in the Founders' Club media workroom following the end of the game. Play-by-play information, statistics, injury updates, etc., will be reported over the internal press box public address system. A food service will be provided prior to kickoff and at halftime.

Telephones

The athletic communications department has two telephone lines installed in the press box (543-2230 and 543-2231). These lines are intended for athletic communications use only. If media members require telephones, please call the University of Washington Telecommunications Department at (206) 543-0133. The Telecommunications Department will arrange to install phone lines at your expense.

Husky Stadium

Husky Stadium is located five miles north of downtown Seattle and approximately 30 minutes north of Sea-Tac Airport. To get to the stadium from downtown Seattle, take I-5 North and take the 520 East (Bellevue/Kirkland) Exit. Take the Montlake Exit and turn left at the stoplight. Husky Stadium is located off Montlake Boulevard, on the right side of the street. Traffic conditions can become congested prior to gametime and media are advised to arrive at Husky Stadium early.

Pro Football Scout Passes

Professional football scouts should contact UW Athletic Communications (543-2230) to obtain press box passes to UW football games. Press box availability may be limited, so scouts are advised to make requests as early as possible.

Postgame Interviews

The elevator will leave the press box level at both the eight and four-minute marks in the fourth quarter for all members of the media wishing to go to the interview area. The elevator will leave again immediately following the end of the game. Athletic communications personnel will escort the media to the interview room (Founders' Club, Bank of America Arena) and will bring athletes to the Founders' Club by request. The visiting Sports Information Director determines postgame

interview procedure for the visiting locker room. Visiting team interviews will be held near the visitors' locker room in the southwest corner of Bank of America Arena.

Postgame Media Work Area

Media members may work in the press box following games, but are encouraged to use the Founders' Club (3rd level, Bank of America Arena) for filing purposes. Postgame interviews will be held in the Founders' Club and there is plenty of work space, wireless internet, phones to use for filing, restroom facilities and soft drinks. Final statistics and coach and player quotes will be available in the work area.

Mondays with the Coach

Head Coach Tyrone Willingham holds a press conference each Monday at noon during the season in the Founders' Club. Every attempt will be made to have the opposing coach available via teleconference hookup prior to Coach Willingham's comments. All members of the media are encouraged to attend these weekly conferences. The press conference can also be accessed by teleconference. Call to acquire the phone number for the teleconference.

Clippings

Links to newspaper articles from media covering the Huskies can be found on Washington's web site GoHuskies.com. Click on the "Newspaper Clips" link under "Multimedia" on the front page.

NCAA Guidelines and the Media

Media members should be aware of several NCAA rules that apply to student-athletes. If there is ever a question if any media-related activity or event including a Washington student-athlete could be a possible NCAA violation, contact the athletic communications office for an interpretation. Areas of concern include:

- Coaches and University officials cannot make comments on prospective student-athletes until they sign a national letter of intent. A coach cannot comment on a prospective student-athlete who verbally commits to an institution.
- Coaches and athletic staff are not permitted to write guest columns for publications.
- Do not ask student-athletes to list or endorse products.
- Photographers cannot provide student-athletes with photographs or slides. The media relations office offers a similar service for student-athletes to purchase photographs.
- Student-athletes may not be used in advertisements or endorsements of products, including media-related publications.
- Student-athletes are not permitted to conduct interviews for 1-900 services.
- Establishing an Internet site in and of itself does not categorize an individual as a media entity. Therefore, individuals who establish Internet sites independent of the institution continue to be subject to all applicable restrictions related to contacting prospects for a recruiting purpose.

Huskies on the Airwaves

Washington ISP Sports Network

ISP Sports, America's foremost collegiate sports marketing company, enters its second season as the multimedia rightsholder for UW Athletics and the producer of the Washington ISP Sports Network.

Headquartered in Winston-Salem, N.C., ISP brings a national presence to the overall marketing of Husky sports. The company also serves as the rightsholder for nearly 40 major college athletic programs, including UW's fellow Pac-10 members Cal and UCLA.

The Washington ISP Sports Network takes the air two hours before kickoff and the first hour of pre-game features analysis from former Husky quarterback, Hugh Millen, former Husky coach, Dick Baird, and 950 KJR-AM personality, Dave "Softy" Mahler. Following the opening hour, the broadcast is spearheaded by longtime "Voice of the Huskies" Bob Rondeau. Rondeau is joined by former Husky All-American placekicker Chuck Nelson, who provides analysis and color commentary. Elise Woodward provides sideline reports.

The radio network also produces a weekly one-hour coach's show featuring Tyrone Willingham airing Mondays live from Anthony's Homeport Shilshole during the season from 4:30 p.m. to 5:30 p.m.

Every game, the coaches show and other features that are produced by the ISP Sports Network can also be heard on the Internet at GoHuskies.com.

Television Partners

The University of Washington enjoys extensive television coverage of its football games through the Pacific-10 Conference's agreements with ABC-TV, ESPN, Fox Sports Net and Versus. Specific games are selected to be a part of the league's television package in one of two ways: 1) During a preseason selection process that determines telecasts for the first few weeks of the season and selected noteworthy games during the season; and 2) Throughout the season the league makes television selections either six or 12 days in advance of each weekend of play. This process allows the league and its television partners the flexibility to telecast the most attractive games each week.

In addition to the league package, UW and FSN Northwest have developed a partnership that allows the regional sports cable network exclusive rights to televise all available games that are not selected as part of the Pac-10 package, provided there is an available broadcast window. In addition, FSN Northwest produces a weekly Washington football show with Coach Tyrone Willingham that airs each week.
