WASHINGTON BASKETBALL MEDIA POLICIES

INTERVIEW POLICY

Contact the Media Relations Department at least 24 hours in advance for ALL interview requests. Coaches and players are typically available before and after practice on a first-come, first-served basis. Because of NCAA rules, which limit the time student-athletes can practice, it is imperative that media members wishing to interview players before practice be available before the scheduled practice start time. Practices will start on time, and players and coaches will not be interviewed once practice has begun. Student-athletes are not available for interviews on game day.

PRACTICE

Practice is open to the media. Location will vary. Please call the Media Relations Department to confirm site and time.

CREDENTIALS

All single-game or season credential requests for Husky women's basketball should be directed the UW Media Relations Department by phone or in writing. It is recommended that requests be made one week in advance of the game you wish to cover. If media are unable to pick up credentials prior to the game, they may be picked up at Will Call at the arena. Will Call opens 90 minutes before tip-off.

PARKING

For practice on campus, media parking is available in several locations, all within close proximity to the arena (E-8, E-11 and E-12). Lots E-11 and E-12 can be accessed through the main entrance to the Husky football stadium off Montlake Blvd. The E-8 lot is located behind the IMA building and can be accessed by taking the first entrance after Graves Building (travelling North on Montlake Blvd.). Media parking on game day will be available in close proximity to the arena. Media may pick up a parking pass from the Media Relations Office.

TELEPHONES

The Media Relations Department has limited telephone lines installed in the press seating area and workroom. These lines are primarily for use by the UW Media Relations Department. If media members require telephone lines, please contact the University of Washington Telecommunications Department, (206) 543-0133. They will arrange to have phone lines installed at your expense. There are co-op phone lines available to Pac-10 visiting flagship radio stations.

INTERNET

We encourage media and fans to visit the University of Washington Athletics home page. The address is:
<http://www.gohuskies.com>

PHOTOGRAPHERS

Photo passes are available for accredited news media. Passes should be requested one week in advance of the game you wish to cover. If media are unable to pick up credentials prior to the game, they may be picked up at Will Call at Bank of America Arena. Will Call opens 90 minutes before tip-off.

Photographers may work from the baselines, in accordance with NCAA rules. In no case may a photographer shoot from the sidelines or press row. No tripods are allowed. Passes and photo armbands must be visible at all times. Failure to adhere to any regulations, or any interference with play, is reason for expulsion.

GAME SERVICES

Computerized play-by-play accounts for each half, and half-time and final statistics, will be distributed in the press seating area and the media work room. A light meal will be served prior to tip-off in the work room at the arena.

POSTGAME INTERVIEWS

Postgame interviews are conducted in the media work room. Husky head coach June Daugherty and requested players will be available to the media. Media requests for visiting coaches and players should be made to the UW staff. Those requests will be forwarded to the visiting SID. Postgame interviews with visiting personnel will be conducted either outside the respective locker room or in the media work room, depending on demand.

POSTGAME WORK AREAS

The press seating area and the media relations work room will be available following each home game as work areas for media. Final statistics and play-by-play accounts will be available in both areas. Two telephones will be available for postgame filing in the press seating area.

STATISTICIANS

Qualified statisticians are available through the Media Relations Department in advance of the game. We prefer three days notice. A minimum fee of \$50 per statistician is recommended.

BANK OF AMERICA ARENA PRESS ROW

There are two phone numbers for the Bank of America Arena press row. They are: (206) 543-2230 and 543-2231.

PAC-10 COACHES' TELECONFERENCE

Each Tuesday morning throughout the season, the Pac-10 conducts a coaches teleconference. Call the Pac-10 office at (925) 932-4411.

PAC-10 INFORMATION

The official Pac-10 Conference website can be accessed by visiting www.pac-10.org. Statistical information, standings and news releases for all men's and women's sports are updated frequently. News releases are provided in both Adobe Acrobat PDF format, as well as viewable HTML pages. Links to daily stories about Pac-10 teams and institutions can be found on the Pac-10 website Newsstand, on the front page.

The Pac-10 women's basketball coaches hold a weekly teleconference for media each Tuesday during the season. Media may call the Conference office or any Pac-10 SID office to receive the media-only phone number for the live teleconference. A taped replay of the entire call is available later in the day, following the call.

NCAA GUIDELINES AND THE MEDIA

Media members should be aware of several NCAA rules that apply to student-athletes. If there is ever a question if any media-related activity or event including a Washington student-athlete could be a possible NCAA violation, contact sports information director Jim Daves for an interpretation. Areas of concern include:

- Coaches and University officials cannot make comments on prospective student-athletes until they sign a national letter of intent. A coach cannot comment on a prospective student-athlete who verbally commits to an institution.
- Coaches and athletic staff are not permitted to write guest columns for publications.
- Do not ask student-athletes to list or endorse products.
- Photographers cannot provide student-athletes with photographs or slides. The media relations office offers a similar service for student-athletes to purchase photographs.
- Student-athletes may not be used in advertisements or endorsements of products, including media-related publications.
- Student-athletes are not permitted to conduct interviews for 1-900 services.
- Establishing an Internet site in and of itself does not categorize an individual as a media entity. Therefore, individuals who establish Internet sites independent of the institution continue to be subject to all applicable restrictions related to contacting prospects for a recruiting purpose.
