Weirdest Thing a Coach Ever Said to You
 "Alicia you had a magnificent drop on that pitch"

Most Embarrassing Softball Moment
 During an Elite Skills camp, I had to give a baserunning demo and I was too low to start and couldn't catch my balance and fell on my face in front of everyone!

Favorite Part of Being a Husky
 I love the girls, the competition, the challenge and being a part of one of the top academic programs along with softball programs in the nation

If you had a \$10,000 gift card to one store, which store would you choose?
 Cabela's, Andy spends all our money there already!

If you could have dinner with one person, who would it be?
 Andy Blake!

What is the weirdest thing you will ever admit to having done in the past?
 Okay, this is weird, but on April Fools my best friend and I put melted chocolate in our friend's underwear and put it back in her drawer

What is one random fact people wouldn't know about you?
 I have to wear socks to bed or else I can't sleep

BLAKE IN HER OWN WORDS....

I guess you could say I'm pretty laid back and easy going, but very competitive at the same time. I'm easily entertained, I would be content at home reading a good book by the fire, or out with my friends having fun making dance videos, or just hanging with the family making cookies and riding horses. I grew up on a farm and was home schooled with my brothers by my mom until high school. My faith is very important to me and I enjoy going to church when we're not traveling. I love being with my husband, Andy, whom I married the winter of my junior year of college. We have fun no matter what we're doing, whether we're hiking out in the woods, or watching an old TV show. I love practical jokes, I usually have one brewing. Laughing is good for the soul! Anything outdoors appeals to me, like beach volleyball, wiffle ball, going to the lake, four wheeling, sledding, the beach, riding horses bareback, fishing and anything else outside (besides soccer). Sleeping in, hot tea and ping-pong are a definite must! Traveling is amazing, I love seeing new places and experiencing different cultures. From fishing in Alaska to snorkeling in the Bahamas, both are unforgettable experiences. I get more tired out when shopping than I do catching a doubleheader! I love being a Husky, seeing the results of all our hard work and our striving for a common goal is rewarding in every way.

CHARTERS IN HER OWN WORDS...

I am a pretty easy going person but I like to be organized. I guess you would call me an animal person. I have two Puggles that I love to take to the dog park as much as possible, rain or shine. My family has horses that we causally ride. I hate to cook but I love to bake, especially if it includes chocolate. I wouldn't be a Charters if I didn't love chocolate. I love to just hangout at home and watch movies. My all time favorite is Dirty Dancing. I have probably seen it over 100 times, it just never gets old. I don't mind the rain as long as I can stay inside by a cozy fire. My favorite food is my mom's homemade food. I am a very clean person and when things are out of order it drives me nuts. I definitely get that from my mom. I get bored really easy so I try to keep busy, I definitely get that from my dad seeing as he is always going in 100 different directions. I love my family and I have learned so much from all of them. Thanks for always being there Mom, Dad, Seth and Kaleb.

FLEISCHMAN IN HER OWN WORDS...

I grew up in Woodinville and come from a multi-talented family. I have a sister who is a newlywed and lives in Houston who I miss A LOT, a brother who is an awesome performer and parents who love me a lot. I live off of canned chili because it's good and I don't have a lot of money yet. I want to be an accountant and move to Jamaica for a few years before I get down to business. I have a kitty named Macie who people think I'm obsessed with, which I might be. My superstition is to always switch it up. I really love my teammates. I love softball but I miss playing basketball. I am looking forward to one day being a mom and living through my kids (joke). My roommate, Lauren Greer, and I sleep more than any people I know. And my favorite time of the year is Spring because it's softball season and that means summer is on its way!

GREER IN HER OWN WORDS...

I am a girl who is from Southern California. The things I miss most from there are the sunshine, the beaches, my best friend and my family! I have the most amazing and supportive family, which has always been my rock. I've definitely learned to love Seattle though. I have three roommates who keep me entertained and I can't imagine my life without them! I have a cat named Karen, who needs to go on a diet. I think the quarterback of the football team is cute. I love shopping but rarely find myself getting to wear regular clothes. Sweats are my main attire, especially LuluLemon brand. I could lay in bed all day, as long as I have a good movie and a comfy pillow. Rarely do I get through my day without a nap. I'm a big fan of country music, which I would rather listen to than watch TV. I love going to concerts, especially ones in a smaller setting. My favorite place in the whole world is Lake Havasu. I guess you could say I am a pretty put-together girl. I routinely get my nails done. I enjoy smiling. I can be sarcastic at times. I enjoy real people. I appreciate a hard workout. I like driving my Jetta a lot. I wouldn't know what to do without a to-do list. I write everything down. I'm as left-handed as they come. I'm always up for arts and crafts. I like to go out to dinner, but I also enjoy cooking. I get excited about going grocery shopping. I'm always in awe of a beautiful sunset. I take pleasure in the little things. I find myself caring about most of the people I come into contact with. I'm a big believer in Faith. I also believe that we are in control of our own happiness and that happiness is something we create.

HARRIS IN HER OWN WORDS...

At first glance, many people see me as a big, bad, tough girl who can hold her own. What they don't realize is that I am a very soft-hearted person. The whole, "tough on the outside, soft on the inside" idea really helps explain my personality. I enjoy shopping (especially for Nike tennis shoes), movie nights, make-up, small dogs, warm weather and Mexican food. I love working with people, especially children. In the past, I have enjoyed job-shadowing at the Children's Hospital and volunteering for the Make-A-Wish Foundation. Both these experiences were very rewarding. I enjoy vacationing with my family, including memorable trips to New York City, Hawaii and Mexico. I like to dance when I am amongst a group of friends. I enjoy wrestling around with my little brother, Zack, who is an avid wrestler and football player. I have a dog named Shelby who looks like a miniature Lassie. I love scary movies and I listen to music 24/7.

Favorite Part of Being a Husky
I get to play for an amazing university and I get to be with my best friends 24/7

Your zodiac sign and one trait you possess that is typical of that sign?
Aries - I'm extremely outgoing and will speak my mind

What is the weirdest thing you will ever admit to having done in the past?
I'm weird all the time so not sure how to answer that

What is one random fact people wouldn't know about you?
I love basketball and I miss playing

If you could trade places with a teammate for a day, who would it be and why?
Amanda Fleischman... shes my best friend on the team and then I would get to hang out with myself and see what I'm truly like, haha!

Best Thing About Playing for Coach Tarr
She is an amazing individual who knows how to motivate her team and all the girls in their own way.

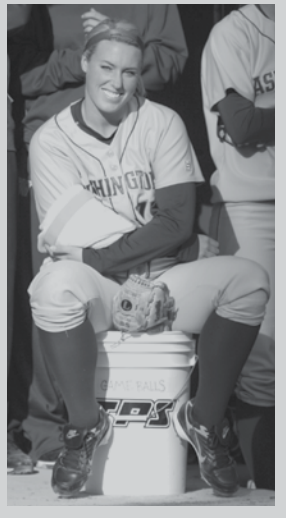

LAWRIE IN HER OWN WORDS...
For starters, I'm one of the most competitive girls you will ever meet. I learned at a young age from my father that losing is not acceptable. If you're not first, you're last and we don't really have second-place trophies in our house. I have a hard time being around people who don't work hard for something. I'm a pusher. I will strive to get the best out of my teammates no matter what, if that's in practice, in the weight room or conditioning. I adore my family and get homesick while being away at times. I talk to my dad or mom on the phone at least twice a day. Shopping makes me happy when I'm depressed. I love animals. I have a 16-year-old dog that lives in Canada and a kitty I got for my birthday last year named Princess Sophia. I also love traveling the world while getting to play softball. I wasn't a big fan of China and do not plan on going back ever. Communist countries are not on my top ten favorites, that's for sure. I love a good steak made by my dad and since I live alone I have my mom freeze a bunch of dinners so I can thaw them when I'm at school. I'm also very proud of my brother, who is now a proud member of the Milwaukee Brewers organization so they are now my FAVORITE TEAM!

McWHERTER IN HER OWN WORDS...

I love Nike Shox, they are an addiction of mine. I am an electronics freak which probably makes me a nerd but I also love to be outside surfing, mountain biking, wakeboarding, skim boarding, snowboarding, sledding, playing in pick-up games of football, soccer, basketball, you name it!! I think in the end my love for sports cancels out my nerdy side. If you ever need help building a desk, setting up a TV, moving furniture or undertaking a large project of some sort, call me, I love building things!! I love to do everything on my own even if it takes me days to get it done. I love the sense of pride it leaves when you are finally finished. Being on the beach is probably my favorite thing in the world. I lived in Hawaii for nearly five years and loved every minute of it. I hope to be stationed there after college. I am very adventurous and fully intend on backpacking through Europe as soon as I finish my four years serving in the U.S. Army. I love my parents, Laura and Len McWherter, with all my heart. They have shaped who I am today. My three younger sisters, Sara, Melissa and Molly, are nothing like me but have helped give me some of the greatest memories any sister could ask for.

POHLMAN IN HER OWN WORDS...
 My family is very important to me. My dad is my biggest fan, my mom is very comforting and my sister is my biggest cheerleader. I have a new baby brother who I love very much and I am excited to watch him grow. I was a three-sport athlete in high school, but I didn't play softball until my senior year. I was captain of the varsity soccer and varsity basketball team and I ran for the track team. For my senior year, I played softball at Eastlake High School instead of completing my fourth year of track. I love taking pictures to document the fun times I have with my friends and family. Pedicures and facials are my favorite way to relax and pamper myself. I have a very big sweet tooth. History will always be my favorite subject to study. I love summer, especially swimming and making bonfires. From March to September of this year, I worked for the Mariners as a ball girl. I love any type of holiday, especially Christmas. I am very content cuddled up on the couch watching movies with loved ones.

Most Embarrassing Softball Moment

Playing every game of my career, up until this point, with my jersey tucked into my sliding shorts. Lo saved my life and told me that that's not how you do it. I have it under control now. Thanks Lo!

Weirdest thing you will ever admit to having done in the past

When I was six, my Dad wouldn't take me to church so I went upstairs to the bathroom and pulled out my four front teeth (that weren't loose). It took a couple years for them to grow back

SMITH IN HER OWN WORDS...

I grew up swimming for hours in the best pool in Moses Lake. I love my family and wouldn't be here today without them. I search the classifieds daily for a yellow lab, knowing I will not get one for a VERY long time. I don't like talking when I wake up and I hit the snooze every morning for 45 minutes. I hate being late and would die without my planner. Grey's Anatomy is my favorite show, and at times I feel like if I were to need surgery I would want Dr. Sheppard to perform it. I know he isn't really I doctor, but he is the best. I have always wanted to go to Greece and Spain and plan on it when I can afford it, which at this rate will be never. I love to bake, thanks to my Aunt Wendy and Grams. I love taking bus adventures with Niki because I know they will be filled with lots of laughter. My teammates are the best and I can't imagine this season without them. I love doing their hair and knew I was doing a good job when Moose asked me to do hers. My drink of choice is iced tea and I could live off steak. I love to laugh and joke around. My favorite fruit is raspberries and I hate peeling oranges. I love the smell of fresh cut grass and walking barefoot. I am always cold and love the heat. My favorite places are the beach, the mall and the field. I work hard and hate to lose. I believe that God has a plan for us, and everything happens for a reason. I cry often, but only because I care. I love my parents, my sister, Elijah, and my family. I hate going to the doctor, but LOVE going to the dentist. Choosing to play at Washington has been the best decision of my life. I know that when I leave here I will not only be a better athlete and student, but a better person. Follow your dreams and no matter how hard it gets, NEVER QUIT.

Most Embarrassing Softball Moment

When I was in middle school, I was at one of my mom's slowpitch games and I was pitching to some brick wall in jeans and when I got into the "power K" position my pants tore right down my leg, exposing my underwear to everyone. My mom was playing so I couldn't get the car keys from her. I just remember being completely mortified until she took me to the car

Your zodiac sign and one trait you possess that is typical of that sign:

Pisces- creative, emotional and sensitive

What is one random fact people wouldn't know about you?

I am probably the greatest thumb wrestler you will ever meet in your life. Given my size and weight class, I can dominate people twice my size. Challenge me and you will lose. I am very cocky and confident in my skills

If you could trade places with a teammate for a day, who would it be and why?

I would trade places with Morgan Stuart to see what it's like to be really calm and collected. I just want to see how she thinks. We are complete opposites so it would be quite a shock for me. Also, she is an awesome infielder and a right-handed power hitter and I'd like to experience that

Best Thing About Playing for Coach Tarr:

She's really creative and always has these fun little ways of getting us motivated. She's all about the metaphors, which only make sense when you are a part of the team and it's explained to you, and that makes it pretty cool

STENSON IN HER OWN WORDS...

I'm not shy. I'm really good at getting knots out. I am very skilled at board games like Cranium, Mad Gab and Scattergories. I'm right-brain dominant. My parents never taught me, "don't talk to strangers." I love the NFL and MLB. My dad has always said there is enough cereal in the bowl when one piece of cereal falls out of the bowl. My favorite foods are Stouffer's lasagna and my mom's chicken broccoli bake. I like rolling down the street with my windows down and music up. I don't like turning on the A/C. I'm obsessed with my planner and to-do lists. I embarrass my friends but never embarrass myself. I think chocolate milk tastes best through a straw. I'd rather listen to music than watch TV. I have a really bad attention span. I LOOOOOVVEE bright colors (lime green is my favorite). I am a sucker for infomercials. I am a great saleswoman. I'm going to write a novel. I keep everything. My mom and I are a LOT alike. I've had six major concussions in the last six years. I have met the greatest people and have been blessed with such an amazing family!

STUART IN HER OWN WORDS...

Since I was a little girl, I've always wanted to play Husky Softball and go to school at UW. After transferring from Syracuse, I was finally able to fulfill that goal. When I'm not playing softball, I like to hang out with my friends and boyfriend, bake and go shopping. I also love to ski, but I won't be doing that for another year. I have a slight obsession with shoes and purses and my friends think I'm weird because I like to run so much. I've been called a nerd because I study so much, but hopefully it will pay off soon. My family means everything to me and I wouldn't be here today if it wasn't for their support.

Weirdest Thing a Coach Ever Said to You
 “Make the ball come to you with osmosis” - Coach Tarr

Most Embarrassing Softball Moment
 Freshman year in Hawaii I dented and fell over third base after trying to break up a play.

Favorite Part of Being a Husky
 Striving to be a part of the first national championship team in UW softball history.

Your zodiac sign and one trait you possess that is typical of that sign?
 Aquarius- open to intellectual debate

Why did you choose the number you wear?
 I chose 18 in high school by adding 15 (previous favorite number because of Tim Salmon) and 3 (freshman year number) and have not wanted to change it because it worked for me.

What is the weirdest thing you will admit to having done in the past?
 Not using an umbrella all of freshman year in Seattle.

If you could trade places with a teammate for a day, who would it be?
 Ashley Charters because I want to know what it’s like to have my picture on the weight room wall. It would also be cool to beat out a bunt for a hit and then steal around the bases.

Best Thing About Playing for Coach Tarr:
 She’s been a player who knows what a season is like for us. She wants to get to the WCWS just as much as we do.

STUART IN HER OWN WORDS...
 I am very thankful to have my dad’s big hands, to be where I am today and to have such an awesome support system. My family is my base. I’ve got two stud little brothers who are bigger than me and parents who I will never be able to thank enough. I am competitive, almost to a fault. Easter egg hunts have been known to get out of control. I like being prepared and having goals. I would not be able to function without my planner. I love organizing, sarcasm and hitting with the music playing on a sunny day. I make wishes on 11:11. I finish everything I start. Most of my best friends have played softball at some point in their lives. I don’t know what I want to be when I grow up, but I will own a Jeep one day. I am passionate about getting the most out of each opportunity. I am an Angels fan living in Mariners’ territory. My teammates are my sisters and I cherish the memories I have gained through the great game of softball.

Before anything I have to give all the glory and honor to my Lord and Savior, Jesus Christ because without Him nothing is possible. I am the youngest of five children and was born and raised in Woodinville, Washington. I love spending time with my family and I'm so blessed to have them. One of my favorite things to do in my spare time is bake chocolate chip cookies and island cookies. I also love doing Christmas puzzles, watching movies and reading books. I hope to be a high school math teacher someday and coach basketball and softball. I have lived in the Northwest my whole life and plan to never leave because I love experiencing all of the seasons (fall, winter, spring and summer). I am an aunt to two nephews who I absolutely adore.

She is also wearing light-colored pants, dark socks, and cleats. She has a softball glove on her left hand and is standing on a grassy field with a chain-link fence in the background.

Favorite Part of Being a Husky

Walking into Husky Stadium every day, seeing my teammates and knowing that I have been given an amazing opportunity to participate in a great program

Favorite place to hang out in Seattle

My apartment with my roomie (Alicia Blake and on occasion Ashlyn Watson)

If you could guest star on one TV show, what would it be?

LOST, because I want to be stranded on a tropical island!

Why did you choose the number you wear?

I have worn it since 6th grade in every sport through high school. I never really wore it because someone else did, just because I wanted to. It did help that Pele, Chipper Jones, Mike Bibby, Sue Bird and many other very good athletes have worn it

What is the weirdest thing you will ever admit to having done in the past?

I would wear the same socks and sliders every game, but they were always clean. I also would never step on a line in soccer, basketball or softball, not even during games. I would hop over them

If you could trade places with a teammate for a day, who would it be and why?

Ashley Tuiasosopo, because she is so encouraging, inspirational and has a wonderful heart. She is the most unselfish person I have ever met and would do anything for her teammates. She is a great friend, hard worker and can swing the bat!! Tui is also a leader. She stands up for what she believes in and goes all out in everything she does. I would like to be Tui for a day because she makes me and her teammates better.

Best Thing About Playing for Coach Tarr:

She expects your best and will push you to be the best you can be. She wants us to succeed on and off the field, and she likes to have fun!

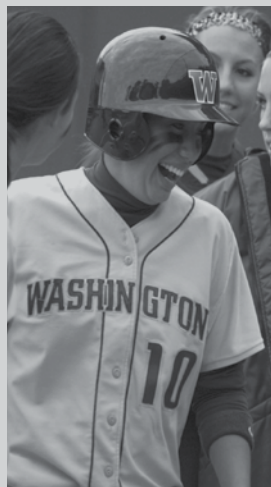

VENTOZA IN HER OWN WORDS...

Take advantage of great opportunities because there will never be another just like it. I love having fun, some of my hobbies are wakeboarding, snowboarding, dirt biking, rock climbing, hunting and anything else you can do outside. I am open to trying new things, foods and activities, and I love meeting new people. I like to cook, work out and hang out with friends a lot. I enjoy drinking tea with Alicia, watching movies with Ashlyn and riding my Hannah Montana scooter Taylor got me for Christmas. I love walking into the locker room and seeing 17 friends. When I lace up my cleats and run onto the field, especially Husky stadium, I get the chills. The feeling of being a part of this team is amazing. God has blessed me so much and I am so thankful for everything He has done for me!

WATSON IN HER OWN WORDS...
 I am a shy, reserved person who has been forced to come out of my shell. I love being with my family and friends, watching movies, going to church, playing with my dogs, drawing and plenty of other things. I was born in Mission Viejo and have lived in 13 different houses. I believe that whatever doesn't kill you only makes you stronger, everything happens for a reason and that "God works together for those who love him." God, family, country. Live, laugh, love. I miss the California sunsets and beaches but have traded it for lakes and mountains. I'm looking forward to sleeping in rather than waking up for morning weights, exploring other hobbies and the next chapter of my life. I love food and trying new things. I want to go on my first vacation that doesn't include softball, see as many places as I can, go scuba diving and wake boarding, sell a painting, take a cooking class, go on a mission and run a marathon. I love being on my own and I can't wait to buy my own house. I still have at least two more years of school for Grad School and it's going to be weird to be a normal student. I am thankful for my parents, my sister, my friends and the opportunity to play for UW. I am truly blessed and thank God for all that He has done for me. Joshua 1:9.

Most Embarrassing Softball Moment

Hitting a home run and tripping over 3rd base and falling on my face

Your zodiac sign and one trait you possess that is typical of that sign?

Pisces - "Helping others is also a way to help yourself see things from a new perspective."

If you could guest star on one TV show, what would it be?

Hannah Montana, Run's House

Why did you choose the number you wear?

#12 was taken by Mrs. Blake, so I picked #3 and made a really cool analogy: #3 times the 4 years I will play here at UW = 12

What is one random fact people wouldn't know about you?

I have OCD. Every time I get dressed, I have to put on my left shoe first. If I accidentally put on the right, I'll untie it and put the left shoe on

If you could trade places with a teammate for a day, who would it be and why?

Bailey Stenson. It would be interesting to be a slapper ... and short for a day

WILLIAMS IN HER OWN WORDS...

I have a big family of seven that I love more than anything. My mom and I are connected at the hip. Not only is she my mom, she's my best friend as well. Our biggest problem is that we can shop for DAYS! I'm a huge fan of jeans; I'd say I own about 50 pairs. It's a horrible addiction, I know. I'm the world's pickiest eater. I don't like pizza, mushrooms, olives, any kind of seafood, hamburgers, hotdogs and the list goes on... My favorite color is red, but the weird thing is, I don't ever wear it. Living by the beach my whole life has made it my most favorite place in the world. I'm obsessed with my phone, I don't think you'll ever see me not texting someone. I'm a huge fan of romantic love stories, mainly the ones that make you cry. I love wearing scarves which is perfect for Seattle weather.
